Jehovah Witnesses Plan Bible Education Seminar

The Rev. Leonard Olliff, presiding minister of the Torrance Congregation of Jehovah's Witnesses has announced the forthcoming Bible Education Assembly for California Circuit 16 of Jehovah's Witnesses.

The schedule calls for three days, March 11-13, at the Long Beach Municipal auditorium. All meetings for the twenty four congregations in the circuit will be cancelled during the assembly to allow full participation in the program.

Mr. Olliff stated, "the theme of the entire assembly will be 'seek peace and pursue it,' as the apostle Peter admonished all Christians." In a time such as this, he said, "when the majority of the nations are preparing for full scale war, either as aggressors or for counter-attacks, Jehovah's Witnesses deem it necessary for all sincere and righteous persons to seek and pursue peace to the best of their ability. Since God's Kingdom through Jesus Christ is mankind's last and only hope for peace, then the pursuit of peace must find its ultimate in this Kingdom. This assembly with its many practical Bible talks and demonstrations will be especially helpful to all persons in learning the proper way to seek peace and pursue it."

calls for an answer in our immediate time, said Olliff, "the climax of the assembly will be a public lecture delivered by district supervisor of Jehovah's Witnesses, Bruce E. Giffin. His subject will be 'Finding Peace in a Troubled World.' Interested persons are being encouraged to attend this special discourse March 13, at 3 p.m."
